

Helsby Running Club – AGM – 28 June 2020

Helsby RC Kit Secretary's Report

It's been another busy year for kit as we have had quite a few new members. I've changed vest supplier to Ronhill this year as they are cheaper than WASP and also will allow me to order in small quantities rather than the 18 minimum order required by WASP.

As in prior years, hoodies were the most popular item I've sold.

I was in the process of establishing an online shop for us, but due to the lockdown, this has been put on hold and I will need to confirm with the shop if they are still happy to go ahead once they are open again.

Sue
