FOUR VILLAGES HALF MARATHON – 1993

1993 was the 12th running of the race which started as a fund raising fun run with just 155 entrants. This year 1010 of the 1250 entrants started the race. Although the strong wind made running difficult there were still some excellent times. David Swanston led for most of the race and recorded a time less than half a minute outside the race record, a particularly fine effort considering the conditions.

Stephen Rigby was first veteran home and received the Veteran's Trophy. James Beesley was first in the 45-49 category after finishing third last year. Similarly Mike Frayne was first in the 50-54 category after finishing second last year. Sam Fletcher and Brian McGuigan both retained their category wins. Apologies must go to Hamish MacPherson and Ronald Reed in the 60-64 category. Owing to a small mix up on the day, the award was given to Hamish whereas Ronald was actually first home in 1.33.50.

Alison Whitelaw who won the Ladies race was also first veteran home. Alison took first prize and the Lady Veteran Rose Bowl, but as each individual can only receive one prize, the 35-39 prize was awarded to Ann Cartwright. Janice Needham was second in the race and also first in the 40-44 category. Therefore the prize in this category was awarded to Marion Newby. Both Alison and Janice improved the race records for their respective categories.

First Junior home was Nick Jones in an incredible time of 1.11.30, a race record. Unfortunately there were no Junior Ladies who ran on the day.

A total of £1000 in prize vouchers and trophies was given to those who won awards in the individual and veteran classes, with the winners of the men and ladies races receiving £100 and £60 vouchers respectively.

Next year's race will be on January 23rd and entry forms will be available from September. If you have not already heard we returned nearly 400 entries this year with the race limit being reached before the closing date.

I thank all of you who support the race and look forward to seeing you again next year.
