Organised by Helsby Running Club Under BAF Laws (NoEAA Permit No. 900)

SUNDAY 22nd JANUARY 1995 at 11.00am

## RACE RESULTS

\*\*\* HIGHLIGHTS OF THIS YEAR'S EVENT \*\*\*

After a wind and rain swept week, hard work by a dedicated team completed the final preparations on Saturday. Without these people you would have been 6' under water at the funnels! On race day, a bright, dry morning saw a *record breaking* number of runners (1173) on the starting line. A thank you to this year's starter, Marion Allen, for getting the runners under way and on time.

The course was water-logged and muddy in places, but this did not prevent a **record breaking** day. First senior home was Dave Mansbridge of Wrekin Road Runners in a time of 1:07:57, followed 3 seconds later by Mike O'Callaghan of Horsforth Harriers. Graham Ratcliffe of Warrington A.C., a V40, came in an excellent 3rd at 1:08:49. John Fidler equaled his V45 record of 1:10:20 that he had set the previous year. 18 year old Helsby R.C. runner Matthew Wigmore came in 35th position with a cracking time of 1:14:33; however the lady junior, Louise Cooper, annihilated the previous course record for that category by 5 minutes with a time of 1:20:20 and finished 3rd lady overall. First lady home was Karen Cornwall of Valli harriers in a **record breaking** time of 1:16:38, beating her own course record, set in 1991, by 104 seconds. Congratulations to Karen who received an extra special prize valued at £100, donated by our main sponsor, Greenalls. At the other end of the scale another record was broken: Jack Darker became the first runner in the over 70 category to break 1:50:00.

A special thank you to 'the one-legged marathon man', Brian Cleaver. He started 1 hour before everyone else and acted as pace-maker for the best part of the race - Well done Brian!

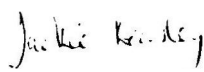

The average age of runners this year was 41, so there was a **record breaking** number of veterans. We're all getting older! Once again we were over-subscribed and, regretfully, had to return or refuse late entries. We hope to solve this problem next year by increasing the field to 1500 runners.

Next year's race will take place on Sunday, 21st January, and entry forms will be available from September. Please get your entry forms in early to avoid disappointment.

Thanks to everyone who entered and supported the race, particularly Greenalls, our main sponsors, and Compass Computer Consultants for compiling this booklet. Look forward to seeing you again next year.

Total racing time spent by all runners: 11 weeks, 2 days, 15 hours, 45 minutes and 25 seconds [link](#)

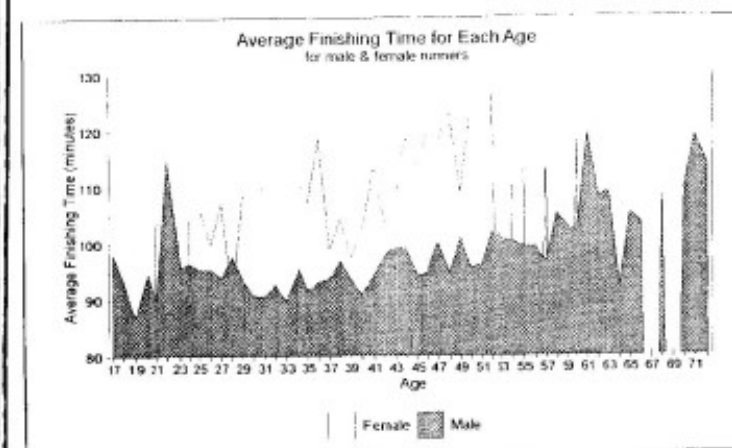

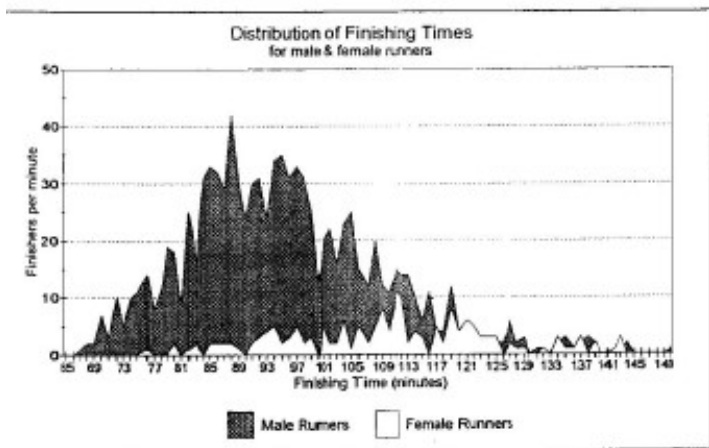

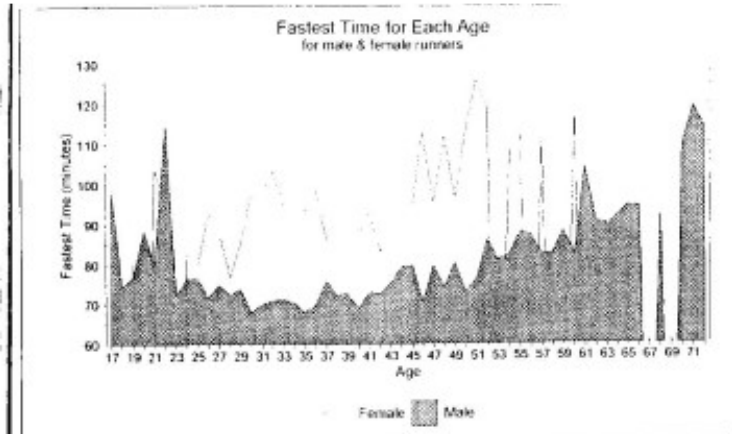

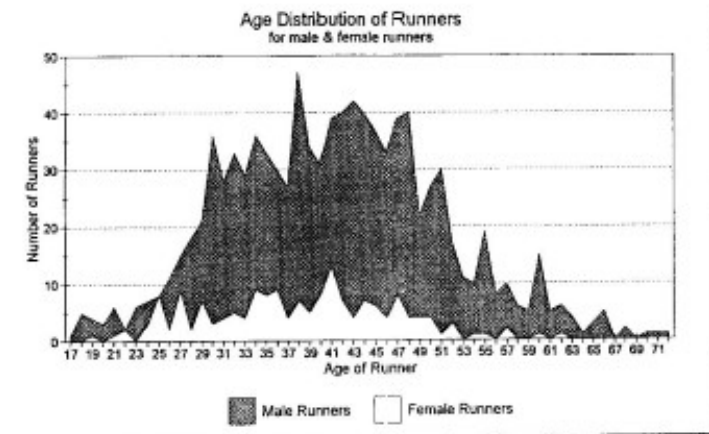

On the following two pages are four graphs that contain a wealth of race information. Details are shown separately for ladies (white shading) and men (grey shading).

The first graph highlights just how many runners are in the 30 - 50 age band.

The second graph shows the spread of finishing times. Over 30 runners were crossing the finishing line every minute between 1:20:00 and 1:40:00!!

The third graph shows how performance is affected by age for the fastest runners. Although there is a gradual increase in finishing times for ages above the mid-thirties, you may be surprised to see that this is very gradual.

The final graph is similar to the third, but this one shows average time rather than fastest time for each age. It would seem that the effects of age are even less pronounced for the average runner than for the elite runners.

\*\*\* AND FINALLY \*\*\*

The next event to be organised by Helsby Running Club is the 11th Frodsham 12K Classic on Sunday, 14th May. If you enjoyed running the Four Villages Half Marathon beneath the Sandstone Hills you are certain to enjoy running the 12K on top of them. The number of entries is limited, so please register early.

Last year, Helsby Running Club took over the organisation of the famous Frodsham Hill Race. "This very special race takes place in the autumn and combines the best of the half-marathon and 12K events in that you start beneath the Sandstone Hills and run up them - then down - then up - then down - then up - then (finally!) down. If you've never tried the race before you have a treat in store. Details will be announced nearer the time. For those of you who favour 13 miles, Rivacre Running Club have asked us to mention the Bi-centenary Celebration Ellesmere Port Half Marathon that they are organising for 2nd July.

Helsby Running Club has about 60 members and meets for training every Wednesday at 6:30 pm at the Social Club. The proximity of the local countryside means that during the light evenings the runs cover hills, tracks, woodlands, fields, quiet roads and the marshes. All abilities are catered for and a special ladies run is organised each week. On Tuesdays, speed sessions are held at a local running track.

At event level, the club concentrates on all running events - i.e. fell, cross-country and road. In each category throughout the season a club championship is catered for. We are looking towards recruiting new members, so if YOU are interested PLEASE contact the Club Secretary, Andy Watkins on 01925-266046. After all, we know that there are at least 326 unattached runners out there who would be welcome at any of at least 166 running clubs. We look forward to seeing you soon!
