7th FOUR VILLAGES HALF MARATHON
=====

Once again we found a break in the weather for this our seventh event.

Due to the very wet weather in the weeks prior to the event, we were concerned about the conditions over the Helsby/Ince marsh section of the course. Thanks to considerable work carried out by Club Members the worst of the water was cleared for the day. Since we believe that it is the marsh section which makes our event different we do not want to change the route. Therefore, provided we can retain Greenalls Brewery Sponsorship we will carry out repair work over this section of the course for 1989.

We received the race limit of 1250 entries and had to turn away a further 150, so if you are intending to run again next year get your entry in early. 1050 runners registered on the day, obviously the snow which fell during the week prior to the race put some runners off.

Every year has produced a new race winner in the Male category, congratulations to this years winner Tony Okell, Sale Harriers in 68 min. 15 sec. Congratulations also to Marie Henry (previously Burke), Wallasey A.C., who retained the title she won last year in the Female category in a time of 79 min. 59 sec., just 15 sec. outside her record of last year.

In the veteran class Brian McGuigan repeated his win in the 0/55 category with a time just 1 min. 49 sec. outside the record he set in 1986. Sylvia Thomas also repeated her victory in the 0/45 category.

Due to the marsh road section, we do not recommend this event for disabled athletes. However, we did have two blind runners this year (Barrie Glynn and Derek Beauchamp) and also Brian Cleaver completed the course on crutches (Brian has one leg). Another runner deserving a mention is Reg Davies who is 80 years old. It was very good to see the number of people who waited at the finish to welcome home Reg Davies and Brian Cleaver, well done. Our Chairmans comments at the presentation "These are the true winners" said what many felt.

Thanks are due the many marshals and helpers without whom the race would not be possible. We were very pleased to have Greenalls Brewery Sponsorship and thank them for turning up on the day with their 1947 dray lorry, which was used as the lead vehicle, and also to Mr. Mike Lane/Marketing Director for presenting the awards.

Thank you for taking part in this event and we look forward to seeing you again next year.
