SUNDAY 22nd JANUARY 1989

RESULTS

Thanks to all of you for entering the 8th Four Villages Half Marathon and making it such a successful day. The weather once again was kind to us, giving almost ideal conditions for the 1058 runners (plus several unofficial ones !). The latter contributed towards a few errors in times that were given to award winners on the day, and we apologise to those concerned.

This year we had to change the course because of safety and traffic problems. This has proved to be preferable and faster judging by runners times and comments. I can assure those doubters that the course was officially measured by an AAA accredited course measurer and fully conforms to the required distance.

Congratulations once again to Tony Okell and Marie Henry who both retained their titles. Marie is now a winner for the last three years and Tony set a new race record of 1.05.13.

For the first time a V40 finished in the top ten, Ron McAndrew coming tenth in the new record time of 1.09.37. As runners receive only one individual award Ron was given the higher award of tenth position. Record times were also returned by Tom Toft (V45 - 1.12.07), regular winner Brian McGuigan (V55 - 1.19.59), and Jack Kirk (V60 - 1.25.30). These are splendid times received with disbelief by many who wished they could run as fast.

A new ladies V40 record was set by Maggie Thompson in 1.27.14).

Special mention must go to Andrew Squires and Brian Cleaver. Andrew won the junior title just a year after receiving serious head injuries as a result of being knocked down whilst out training and lying unconscious for three weeks in Walton Hospital. This forges another link between the race and the hospital as this is where Gareth Endacott was also treated, and we make a donation each year from the proceeds of the race. Brian once again showing grit and determination to complete the course on crutches and only 16 seconds slower than some with two legs !

The two oldest men in the race were John Cullen aged 72 travelling all the way from South Wales, and Reg Davies aged 81 Britain's oldest marathon runner. Both these two have our admiration, finishing in times of 1.47.50 and 2.37.56 respectively.

We look forward to seeing you all again next year for another enjoyable day.
